

SOUTH STREET PHASE II ROAD CLOSURE & DETOUR

DAVIDSON SOUTH STREET WASTEWATER IMPROVEMENT PROJECT

CLT Water and contractor, Propst Construction, will close South Street from Cathey Street to Mimosa Street from **late August to early October**. During this time, there will be no parking along both sides of Walnut Street from 7am–5pm. Please observe all posted traffic signage while traveling in the area.

DAVIDSON SOUTH STREET WASTEWATER IMPROVEMENT PROJECT

- ABOUT THE PROJECT -

The goal of the Davidson South Street Wastewater Improvement Project is to address current and future sewer capacity needs for the area.

The project route begins on South St. near Davidson Elementary School and will end near the Hillside Dr./Lorimer Rd. intersection.

The design phase of the project began in summer 2020 and the construction phase began this summer.
