

CATHEY STREET TEMPORARY ACCESS ROAD

DAVIDSON SOUTH STREET WASTEWATER IMPROVEMENT PROJECT

CLT Water and contractor Propst Construction will input a temporary access road between Cathey Street and Goodrum Street as they continue work on the project. The temporary access road will be in place from **Monday, October 3rd**, through **mid - late October**.

The South Street Phase II closure from Cathey Street to Mimosa Street is expected to remain in place until **late October/early November**. While the closure is in place, there will be no parking along both sides of Walnut Street from 7am – 5pm.

DAVIDSON SOUTH STREET WASTEWATER IMPROVEMENT PROJECT

- ABOUT THE PROJECT -

The goal of the Davidson South Street Wastewater Improvement Project is to address current and future sewer capacity needs for the area.

The project route begins on South St. near Davidson Elementary School and will end near the Hillside Dr./Lorimer Rd. intersection.

The design phase of the project began in summer 2020 and the construction phase began this summer.
