

DAVIDSON SOUTH STREET

WASTEWATER IMPROVEMENTS PROJECT

Charlotte Water and its contractors, AECOM (engineering) and Propst (construction) completed the investigation and design phase of the Davidson South Street Wastewater Improvements Project in Spring 2020 and began construction in Summer 2022.

The goal of the project is to address current and future sewer capacity needs for the area.

DAVIDSON SOUTH STREET

WASTEWATER IMPROVEMENTS PROJECT FAQ

WHERE IS THE PROJECT ROUTE?

- The project route begins on South St. near Davidson Elementary School and will end near the Hillside Dr./Lorimer Rd. intersection.

HOW LONG WILL CONSTRUCTION TAKE?

- Construction began in Summer 2022 and is expected to be complete by Fall 2023.

WHAT SHOULD THE PUBLIC EXPECT DURING CONSTRUCTION?

- Staging of materials and equipment, deep excavations, and pipe installation
- Construction traffic, traffic signage, personnel in the area, activity in the project area, etc.
- Short momentary disruptions to service may occur, however, we will do our best to notify residents, and businesses in the impacted area in advance

HOW CAN I FIND MORE INFORMATION ON THE PROJECT?

- Interested in receiving timely project updates? Text **DAVIDSONPROJECT** to **833-358-1988** to sign up for alerts
- Please visit the project website to learn more about the project:
