

Subject: Davidson South Street Wastewater Improvements Project – January 2023 Public Meeting

Dear Resident:

Charlotte Water (CLT Water) will be hosting a **public meeting on Thursday, January 19 at 5:30pm** to share information and answer questions about the Davidson South Street Wastewater Improvements Project.

The Davidson South Street Wastewater Improvements Project begins on South Street near Davidson Elementary School and ends near the Hillside Drive / Lorimer Road intersection. In addition, the project team will replace an aging force main beginning at Concord Road, running north along Thompson Street.

The design phase began in Summer 2020 and was completed in Spring 2022. Construction began in Summer 2022 and is anticipated to be complete in Fall 2023.

The meeting is open to the public and will start at 5:30pm. Representatives from Charlotte Water and the Design Build team will present an overview of the project, including current work underway and next steps, and they will be available to answer any questions from attendees.

We hope you will be able to join us! Additional information about the project can be found on Charlotte Water's website at: <https://bit.ly/DavidsonSewerProject>.

WHAT: Davidson South Street Wastewater Improvements Project

WHEN: Thursday, January 19, 2023 @ 5:30pm

WHERE: Ada Jenkins Center, 212 Gamble St., Davidson, NC 28036
