

# Hidden Valley Water System Improvements Project

**You're invited to attend  
a community meeting**

## You're invited to a public meeting to learn more about an upcoming water main project that will increase water pressure for customers in your area.

Contractors for Charlotte Water, led by STV, Brown & Caldwell and Sanders Utility Construction, are continuing field and design work for an upcoming water main improvement project in the Hidden Valley neighborhood. Once completed, this project will increase water pressure and enhance service quality for customers in the area.

This public information meeting is for residents and businesses in the Hidden Valley neighborhood. During the presentation, project representatives will share more details about the project and proposed plans. You are invited to learn more, ask questions and share feedback during the meeting. Charlotte Water will follow all current safety guidelines from the Centers for Disease Control and Prevention (CDC).
