

## **IDLEWILD ROAD WATER SUPPLY PROJECT**

---

### **CRAIG AVENUE TRAFFIC IMPACTS**

Starting the week of August 7th, Charlotte Water (CLTWater) will be working in your area as they continue construction on the Idlewild Road Water Supply Project. During this phase of construction, N. Sharon Amity Road will be reduced to two lanes near the Craig Avenue intersection. This work is expected to last a couple of months. Residents are advised to avoid the area if possible.

Please continue to observe traffic control measures and take safety precautions while traveling in the area.

# IDLEWILD ROAD WATER SUPPLY PROJECT

## - ABOUT THE PROJECT -

To address aging water main pipes and to ensure ongoing, reliable service for customers, CLTWater is installing larger pipes to meet the needs of the growing community. The Idlewild Road Water Supply Project will enhance drinking water reliability in the area.
