

- NOTICE OF -  
**UPCOMING  
ROAD CLOSURE  
& DETOUR**

**IMPACTING ASHMORE DRIVE**

---

**MONROE RD. WATER MAIN  
CONSTRUCTION PROJECT**

The Ashmore Dr. & Monroe Rd. intersection will be closed for a **few weeks starting mid-late October** as CLT Water & contractor, RH Price, continue construction of the Monroe portion of the Idlewild Road Water Supply Project. Ashmore Dr. can still be accessed from E Independence Blvd. Please observe all posted traffic & detour signage and take safety precautions while traveling in the area. For more timely updates on detours, please visit the project website.

# MONROE RD. WATER MAIN CONSTRUCTION PROJECT

## - ABOUT THE PROJECT -

Charlotte Water has begun work to replace & install larger pipes along Monroe Rd. as part of the greater Idlewild Road Water Supply Project, which runs from Rama Road/Idlewild Road to McMullen Way on the outer northbound lane of Monroe Road. This construction work will replace and install larger pipes to meet the needs of the growing community.

Daily on-site construction work times will be from 7am–7pm. Construction is anticipated to continue through the end of 2021.
