

NOTICE: UPCOMING WATER VALVE TEST

An update on the Idlewild Road Water Supply Project for residents of Nancy Drive and Hollywood Street.

Valves on the water main in Nancy Drive and Hollywood Street will be temporarily closed on _____, starting at _____. This is necessary to test to make sure the valves function. No customers are expected to be out of water.

If your water is shut off, please notify Amy Vershel at 704-962-7685.
