

Irwin Creek Tributary to Remount Road Wastewater Improvement Project

Upcoming Work

Charlotte Water and its contractors are completing important wastewater improvements in the area. Current construction may affect school traffic during the beginning of the school season.

Please follow the routes below to access J.T. Williams Secondary Montessori. There is no school access via Baltimore Avenue.

You may access campus via Toomey Avenue and Griffith Street using the following routes:

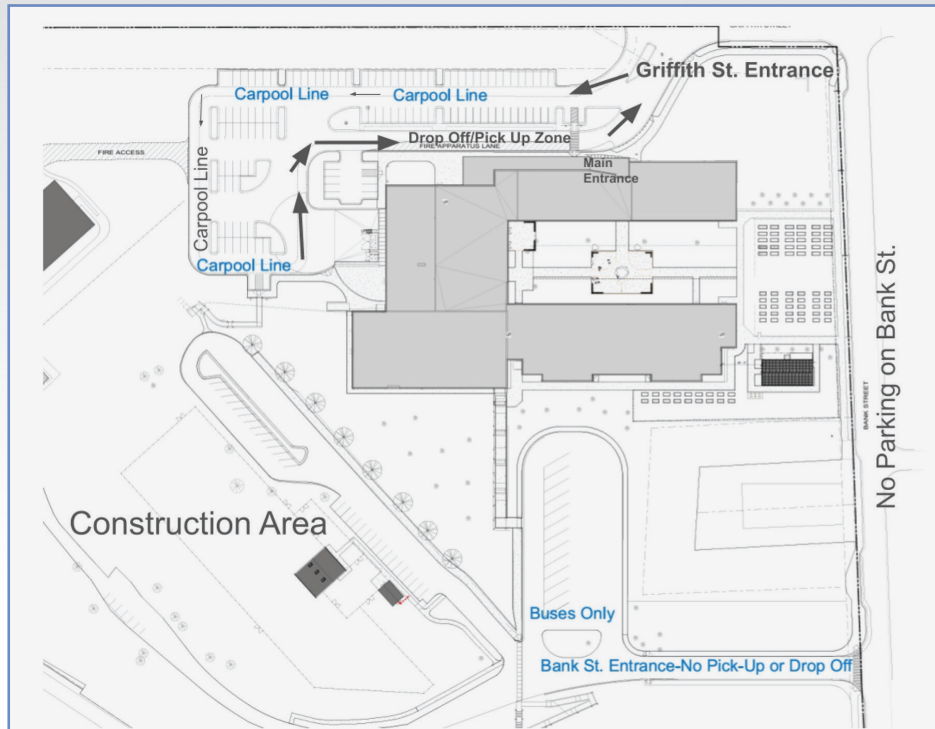

- Remount Rd. > Toomey Ave. > Griffith St. > School
- Remount Rd. > S. Tryon St. > Griffith St. > School
- Clanton Rd. > S Tryon St. > Griffith St. > School

Thank you for your cooperation and patience while construction is completed. We apologize for any inconvenience.

JT Williams Secondary Montessori

Carpool Traffic Guidelines

In an effort to show grace and courtesy to our school community and to keep our students safe, we ask that you please adhere to the following guidelines.

1. Enter the carpool line via Griffith St. **Students are not to be dropped off or picked up at any other location.**
2. Proceed all the way around the drop-off/pick-up loop as shown on the diagram.
3. Students who are car riders will only be released out the front doors of campus to the carpool area.
4. **Always be mindful of student drivers entering/exiting the parking lot.**
5. Be respectful of the others in line. (**No cutting or passing**, pay attention to when the line is moving, and be ready to pull forward).
6. The Bank St. entrance is not to be used for drop off/pick up. Per our agreement with the local business, we do not have access to park on Bank St.

Morning carpool runs from 8:45-9:10 AM and afternoon carpool runs from 4:05 until 4:30.

All students must be picked up by 4:30 PM as the staff workday ends at that time.
