

WT Harris/Plott Road Water Main Project

Plott Road Closure – August 2022

Contractors for Charlotte Water are continuing construction work on water main improvements in the area. Once completed, the project will maintain quality and reliability of water service for customers in the area.

The section of Plott Road between Robinson Church Road and Fairlawn Road is expected to be closed from August 17 through late September.

During this time, motorists should follow all detour signage. Access will be maintained for all residents and businesses along the closed portion of Plott Road. See map for full detour. Charlotte Water understands that construction can be inconvenient, but this closure is necessary to ensure safety of all individuals.

Please note, schedules are subject to change due to weather and other conditions.

QUESTIONS: If updates on project progress, please visit the project webpage at bit.ly/WTHarrisPlottRoad, or by visiting charlottewater.org (click on "projects"). If you have a question, please contact Charlotte Water project manager Amy Vershel, amy.vershel@charlottenc.gov, (704) 336-1077.
