

Water System Improvement Project

WT Harris/Plott Road Water Main Project

You're invited to attend a virtual community meeting

You're invited to a virtual public meeting to learn more about an upcoming water main improvement project in your area.

Contractors for Charlotte Water, led by Sanders Utility, are continuing field and design work for an upcoming water main improvement project in the area. Once completed, this project will enhance water system reliability.

This public information meeting is for residents and businesses in the Hickory Grove, Farm Pond, Hickory Ridge, Idlewild Farms and Marlwood areas. During the virtual presentation, project representatives will share more details about the project and proposed plans. Participants will be able to submit questions during the WebEx Event, which will be addressed during the meeting's Q&A.

VIRTUAL PUBLIC MEETING **Tuesday, October 12, at 5:30 p.m.**

To register for this event visit bit.ly/WTHarrisPlottRd_PubMtnng. More information on this project can be found on the project webpage at bit.ly/WTHarrisPlottRoad, or by visiting charlottewater.org (click on "projects"). If you're unable to join the meeting, a recording will be added to the webpage for playback. If you have questions, please contact Charlotte Water project managers Amy Vershel, 704-336-1077, Amy.Vershel@charlottenc.gov, or Ryan LeBlanc, 704-336-1049, Ryan.LeBlanc@charlottenc.gov.
