— Project Location — Temporary Road

PROJECT STATUS
JULY 2025
Construction begins.

PROJECT STATUS | JULY 2025

Charlotte-Mecklenburg Storm Water Services is working with Hux Contracting LLC., to construct storm drainage improvements near 5801 Amity Springs Drive. Thank you for your patience.

- Beginning July 21, a temporary road will be built connecting Amity Springs Drive and Alrose Drive to be used during construction. Access to residences will be maintained.
- A portion of Amity Springs Drive after Iron Gate Lane will close when the temporary road is complete for approximately 6 months.
- To ensure the safety of motorists, pedestrians and crew, please follow all signs.
