

Beckwith Meadow

Storm Drainage
Improvement Project

PROJECT STATUS

MAY 2024

Design continues.

PROJECT STATUS | MAY 2024

Charlotte-Mecklenburg Storm Water Services and STV, Inc. have acquired all easements needed for construction. The project team is working on finalizing the design plans.

The bid phase is the next step in the project process and is anticipated to begin this summer. During this phase, the final plans will be circulated to qualified contractors for a competitive bidding process. Once City Council awards the contract, construction will be scheduled.
