

Brooklain/ Coulwood

Storm Drainage
Improvement Project

PROJECT STATUS
APRIL 2024
Planning continues.

PROJECT STATUS | APRIL 2024

Charlotte-Mecklenburg Storm Water Services and engineering consultant WithersRavenel Inc. have completed the study of the existing storm drainage system in the Brooklain/Coulwood project area. Alternative solutions are now being developed. A public meeting will be held once the project team is ready to present a recommended solution to property owners.
