

Cricketeer

Storm Drainage
Improvement Project

PROJECT STATUS
AUGUST 2022
Planning continues.

PROJECT STATUS | AUGUST 2022

Charlotte-Mecklenburg Storm Water Services and engineering consultant Brown and Caldwell continue to study the existing storm drainage system in the Cricketeer project area. Once the study is complete, several alternative solutions will be developed. A public meeting will be held once the project team is ready to present a recommended solution to property owners.
