

Edgewater/ Rosecrest

Storm Drainage
Improvement Project

PROJECT STATUS
MAY 2023
Design continues.

Charlotte-Mecklenburg Storm Water Services and engineering consultant LaBella Associates continue with the design phase. Staff is developing detailed drawings for the proposed improvements.

Please Note: Storm Water Services is continuing to design the replacement of the culvert under Burnley Road and stream bank stabilization work downstream of the culvert on Candlewood Drive. Individual property owners directly affected have been contacted.
