

Raleigh

Storm Drainage Improvement Project

PROJECT STATUS
APRIL 2024
Planning continues.

PROJECT STATUS | APRIL 2024

Charlotte-Mecklenburg Storm Water Services and engineering consultant Labella Associates, P.C. continue to study the existing storm drainage system in the Raleigh Street/Sugar Creek Road area.

The project will replace and/or rehabilitate aging infrastructure and provide adequate drainage system capacity. Once the study is complete, several alternative solutions will be developed.

A public meeting will be held once the project team is ready to present a recommended solution to property owners.
