

# Summerlin Place

## Storm Drainage Improvement Project

**PROJECT STATUS**  
**AUGUST 2025**  
Bid begins.

## PROJECT STATUS | AUGUST 2025

Charlotte-Mecklenburg Storm Water Services and engineering consultant ESP Associates, Inc. have acquired all easements needed for construction and the project's design phase is complete. The bid phase has started and the final design plans will be circulated to qualified contractors for a competitive bidding process. Once City Council awards the contract, construction will be scheduled.

Road closures are planned for portions of Summerlin Place, Wessynton Drive, and Brynwood Drive during the project. A mailer will be sent in advance with the anticipated road closure date and length.
