Storm Drainage Improvement Project

Virtual meeting highlights

PROJECT STATUS

APRIL 2022

Planning continues.

PROJECT STATUS | APRIL 2022

Charlotte-Mecklenburg Storm Water Services held a virtual public meeting on March 1 to present the proposed improvements for the Valleybrook Storm Drainage Improvement Project.

Virtual meeting highlights

- Brief introduction of the project team and program overview
- Alternative and recommended design solutions were presented
- General questions were addressed
- Based on feedback, additional alternatives will be investigated and a future public meeting will be scheduled

An additional mailer will be sent to residents who live on lower portions of Valleybrook Road and are affected by heavy storm events.

Visit the project web page at StormWater.CharMeck.org to view the virtual meeting recording and question/answer document.
