ZONING COMMITTEE ACTION/ STATEMENT OF CONSISTENCY

The Zoning Committee voted 5-0 to recommend APPROVAL of this petition and adopt the consistency statement as follows:

To Approve:

This petition is found to be **inconsistent** with the *2040 Policy Map* (2022) based on the information from the staff analysis and the public hearing, and because:

• The 2040 Policy Map recommends the Neighborhood 1 Place Type.

However, we find this petition to be reasonable and in the public interest, based on the information from the staff analysis and the public hearing, and because:

- The petition proposes a mixture of 19 quadraplexes and duplex units on 2.46 acres, which will result in a density of 8 dwelling units per acre.
- The Neighborhood 2 Place Type is appropriate for this site given its adjacency to the Neighborhood 1, Parks & Preserves, and Campus Place Types.
- The proposal for residential uses is compatible with the existing residential uses surrounding Mallard Creek High School.
- The petition could facilitate the following 2040 Comprehensive Plan Goals:
 - 1: 10 Minute Neighborhoods
 - 2: Neighborhood Diversity & Inclusion
 - 5: Safe & Equitable Mobility
 - 6: Healthy, Safe & Active Communities

The approval of this petition will revise the recommended place type as specified by the 2040 Policy

Map, from Neighborhood 1 to the Neighborhood 2 Place Type for the site.
