Water Quality  
Enhancement Project

**PROJECT STATUS**  
MAY 2023  
Design is underway.

## PROJECT STATUS | MAY 2023

Charlotte-Mecklenburg Storm Water Services and Kimley-Horn continue the design phase. Staff is developing detailed drawings for the project. Most of the easements needed for construction have been acquired. Once the easement acquisition phase is complete the project team will finalize the design plans.

Please note project manager contact information has been updated below.
