

Alanhurst/ Cherrycrest

Storm Drainage Improvement Project

PROJECT STATUS

APRIL 2023

Construction is complete.

PROJECT STATUS | APRIL 2023

Construction of the Alanhurst/Cherrycrest Storm Drainage Improvement Project is complete. Storm Water Services will continue to monitor the project during the next 12 months. The construction inspector will conduct 6- and 11-month inspections during the warranty period. If needed, the contractor will return to the site to make repairs at no additional cost.

Charlotte-Mecklenburg Storm Water Services appreciates your cooperation and patience during the construction phase of this project.
