Petition No: 2021-213

IMPACT UNDER CURRENT ZONING

Number of housing units allowed under current zoning: the subsection Development Area A zoned R-12MF(CD) would allow 66 multi-family units.

The subject property is developed multi-family housing.

Number of students potentially generated under current zoning: 23 students (13 elementary, 5 middle, 5 high).

IMPACT OF THE PROPOSED DEVELOPMENT

Proposed Housing Units: The R-12(CD) SPA zoning petition seeks to allow up to 300 multi-family units.

CMS Planning Group: South

Average Student Yield per Unit: 0.3440

This development may add 103 students to the schools in this area.

The following data is as of 20th Day of the 2020-21 school year.

<i>Schools Affected</i>	<i>Total Classroom Teachers</i>	<i>Building Classrooms/ Teacher Stations</i>	<i>20th Day Enrollment</i>	<i>Building Classroom/ Adjusted Capacity (Without Mobiles)</i>	<i>20th Day, Building Utilization (Without Mobiles)</i>	<i>Additional Students As a result of this development</i>	<i>Utilization As of result of this development (Without Mobiles)</i>
ELIZABETH LANE ELEMENTARY	55.00	35	907	577	157%	59	166%
SOUTH CHARLOTTE MIDDLE	43	40	892	830	108%	22	110%
PROVIDENCE HIGH	96.0	88	2003	1836	109%	22	110%

The total estimated capital costs of providing the additional school capacity for this new development is **\$3,788,000**; calculated as follows:

- Elementary School: **59**x \$34,000 = \$2,006,000
- Middle School: **22**x \$37,000 = \$814,000
- High School: **22**x \$44,000 = \$968,000

RECOMMENDATION

Adequacy of existing school capacity in this area is a significant problem. We are particularly concerned about a rezoning case where school utilization exceeds 100% since the proposed development may exacerbate the situation. Approval of this petition may increase overcrowding and/or reliance upon mobile classrooms at the schools listed above.
